Summary of Organisation Feedback Form

Note: Summarise key points only and attach the original form to this report.

Hun, Tame ane Paryushan – the session was engaging but time limited audience interaction to the level the Organisation desired.

Muhapatti Padilehana & Asanas & Mudras – Met the organisation's objectives as it was well-attended, there was a lot of involvement/discussion but there was a lot of content. Handouts may have been helpful.

The Organisation is willing to host similar sessions but on different topics and is also willing to repeat these topics in a few years.

Facilitator's Feedback

1. Specific comments/observations to improve upon for future sessions.

Do not digress from the topic - even if there are questions. Request that they approach us after the session.

2. Other comments/observations

Keep it very simple, particularly when using Prakrit terminology.

Check with the audience that pace is right for them.
