**RE: APPRECIATION.**

**Maanniya Shri Harshadbhai,**

On behalf of the East and Central Africa Section and Nairobi Lodge of the Theosophical Society, I wish to thank you most sincerely and gratefully for giving a most enlightening and informative address at the Lodge premises on **Saturday 16<sup>th</sup> May 2015.**

The topic you elaborated upon '**Age of Meditation**' is so very relevant in today's world when everything around in the world seems futile and depressing! Your address gave a new vision to the members of the Theosophical Society and invited guests and provided a view they can relate to in their lives. All those who attended the address were very impressed by the depth of your knowledge in the talk you gave.

Thank you for sharing your wealth of knowledge with all of us and sparing your valuable time for us. Thank you.

With very warm wishes,  
Yours sincerely,

**Mitesh H. Doshi,  
Hon. Secretary,  
Nairobi Lodge,
